

LES ILLUSIONS VISUELLES, UNE ILLUSION DU CERVEAU?

Yseult Héjja-Brichard, Doctorante au Centre de recherche Cerveau et Cognition

AU PROGRAMME

Origines des illusions visuelles :

Propriétés de notre environnement physique

Fonctionnement de nos voies visuelles et biais cognitifs

Illusions visuelles et culture : exemple de l'illusion du corridor

Illusions visuelles chez d'autres espèces animales

Les mirages: Effet du Foehn **Côtes Corses**

hilippe Berti

PROPRIÉTÉS DE NOTRE ENVIRONNEMENT PHYSIQUE

Réfraction de la lumière dans des couches de différentes densités

AU PROGRAMME

Origines des illusions visuelles :

Propriétés de notre environnement physique

Fonctionnement de nos voies visuelles et biais cognitifs

Illusions visuelles et culture : exemple de l'illusion du corridor

Illusions visuelles chez d'autres espèces animales

LA RÉTINE

LA RÉTINE: TRAITEMENT DES CONTRASTES

Mach Bands

Les fines lignes ou "bandes" le long du gradient sont une illusion

ILLUSIONS DE CONTINUITÉ: CONTOURS

ILLUSIONS DE CONTINUITÉ: CONTOURS

ILLUSIONS DE CONTINUITÉ: CONTOURS

IMAGES AMBIGUES

IMAGES AMBIGUES: CUBE DE NECKER

IMAGES AMBIGUES

VUE D'ARTISTES

Escher

ILLUSIONS DE MOUVEMENTS

ILLUSIONS DE MOUVEMENTS

Sarcone's Dynamic Müller-Lyer Illusion

VOIR C'EST CONSTRUIRE UNE PERCEPTION

Hoerr/Reddit

AU PROGRAMME

Origines des illusions visuelles :

Propriétés de notre environnement physique

Fonctionnement de nos voies visuelles et biais cognitifs

Illusions visuelles et culture : exemple de l'illusion du corridor

Illusions visuelles chez d'autres espèces animales

La force de l'illusion est liée à la latéralisation du langage écrit

AU PROGRAMME

Origines des illusions visuelles :

Propriétés de notre environnement physique

Fonctionnement de nos voies visuelles et biais cognitifs

Illusions visuelles et culture : exemple de l'illusion du corridor

Illusions visuelles chez d'autres espèces animales

ILLUSION DES CONTOURS

ILLUSION DES CONTOURS

Effet d'assimilation

Effet de contraste

Pas d'effet du tout!
